# DISNEY- LAND<sup>®</sup> PARK

## 30 YEARS OF MAGIC IN THE MAKING... AND SHINING ON

With the majestic *Sleeping Beauty Castle* at its heart, Disneyland<sup>®</sup> Park is the fantastical home to five incredible Lands. For 30 magical years, it's been the place where extraordinary stories come to life before your very eyes. Now that's something worth celebrating – and worth celebrating for a little bit longer!

Buckle up because we're about to whizz you around Discoveryland, Fantasyland, Frontierland, Adventureland and Main Street, U.S.A.<sup>®</sup> while Imagineer and Master Storyteller Laurent Cayuela sprinkles some insider Pixie Dust along the way.

### MORE MAGIC BEHIND THE MAGIC

Did you know *Sleeping Beauty Castle* is steeped in French legend? Its shape is inspired by that of Mont-Saint-Michel and the illustrated castles of *Très Riches Heures du Duc de Berry*. The roots of its gardens can be traced back 500 years to *The Lady and the Unicorn* tapestry. And the golden snails fleeing the kitchens – well, who doesn't like a little bit of fun?

# LIFT OFF!

*"Inspired by the imagination of Jules Verne, Discoveryland is a one-off wonder found nowhere else in the world", says Imagineer Laurent Cayuela. Today, legend has it the Force is strong in Discoveryland. And we think this could well be true, as Star Wars™ Hyperspace Mountain and Star Tours: The Adventures Continue blast space travellers of all ages to a galaxy far, far away. And beyond that – we'll never get bored of helping Buzz defeat Zurg in the intergalactic laser-shooting gallery Buzz Lightyear Laser Blast.*

“REALLY NICE  
EXPERIENCE AS  
AN ADULT AND  
FUN ATTRACTIONS,  
SUCH AS BUZZ

# YEEHAW!

If you've always wished you could time travel to the rootin' tootin' world of the Wild West, then you'll love Frontierland. This is a place where unsuspecting passengers hurtle through *Big Thunder Mountain* on board a runaway mine train, and a lonely bride haunts the hallways of *Phantom Manor*. Imagineer Laurent Cayuela says, "Only at Disneyland® Paris are these two attractions mysteriously linked." Will you unearth the connection when you're here?

## DREAM TEAM TIP FOR HUNGRY TRAVELLERS

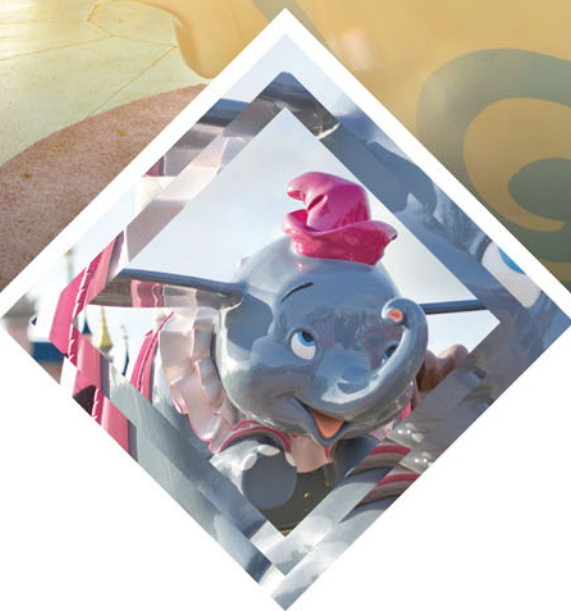

Don't miss *The Lucky Nugget Saloon*! With its amazing Wild West saloon theming, this cowboy hangout is full of atmosphere. It's the perfect place to rest your spurs and grab a bite, whether you're looking for a tasty Tex-Mex feast or a delicious teatime treat.

Just like magic, fairy tales come to life in Fantasyland. This Land holds a special place in our hearts, as it's where you'll find must-do tributes to two of Walt's very first Disney® Park creations – the iconic *“it's a small world”* and the wonderful *Mad Hatter's Tea Cups*. This is also a dream setting to share a special moment with Mickey and his closest friends, dress like a Disney Princess – and maybe even meet one, too!

# ARGH!

As kids, some of us would often make-believe we were pirates or explorers, which makes Adventureland a dream come true for us – even today! Here, you'll discover a rattling ride through ancient ruins on *Indiana Jones™* and the *Temple of Peril* and swashbuckling thrills on *Pirates of the Caribbean*, which, our Imagineers tell us, "*Was the inspiration for the blockbuster movie franchise, not the other way round!*"

## DREAM TEAM TIP FOR PRIDE ROCK EXPLORERS

If you're a fan of *The Lion King*, a little tour of *La Girafe Curieuse* is in order. Here, you'll find clothes, mugs and even plush toys of Simba and his friends. But that's not all. Once inside, look up and... surprise! You'll see just how this shop got its name.

# WALT DISNEY STUDIOS<sup>®</sup> PARK

## LIVE THE ACTION

Since opening in 2002, Walt Disney Studios<sup>®</sup> Park has become a destination that celebrates the magic of the movies.

And now, wow, it's more immersive than ever, dropping Guests deep into stories from Disney, Pixar and MARVEL like never before. And in jaw-dropping ways that only Disney can do. Here, you don't watch the action, you live it!

### MARVEL AVENGERS CAMPUS – NOW OPEN!

This epic new Land is taking immersion to a whole new level, with powerful attractions, surprise encounters, mouthwatering food and mighty merch dropping you into the heart of a living, breathing MARVEL universe.

# WORLDS OF PIXAR

You've got a friend (or many) in this Pixar-loaded Land full of attractions, entertainment, food and fun with Pixar Characters in settings straight from *Ratatouille*, *Finding Nemo*, *Toy Story*... and beyond! Get ready to drop behind enemy lines in *Toy Soldiers Parachute Drop*. And if you have some *Finding Nemo* fans in your family, we recommend the turtley awesome *Crush's Coaster*®. Its simple yet unexpected twist is what makes it one of the most popular attractions at Disneyland® Paris.

“RATATOUILLE IS

## BON APPÉTIT!

Imagine shrinking down to the size of Rémy and experiencing Paris through his eyes. At La Place de Rémy you can, by scurrying through his kitchen in *Ratatouille: The Adventure* and sampling famous French dishes at *Bistrot Chez Rémy*. Imagineer Laurent Cayuela says, "Working closely with Pixar, we've made La Place de Rémy a love letter to Paris. Every detail brings the dream to life, from a forced perspective making buildings look grander, to the decoration on the manhole covers."

### DREAM TEAM TIP: A MUST DO FOR LITTLE DRIVERS

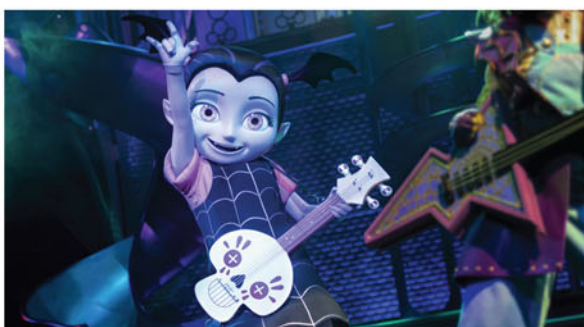

Located in Worlds of Pixar, *Cars ROAD TRIP* is perfect for younger *Cars* fans and can be a great option for little ones while other members of the family enjoy bigger thrill attractions. Stop at the *Laugh 'n' Go* truck on the way for a bite to eat and enjoy the area's music, which transports you right to the heart of Route 66.

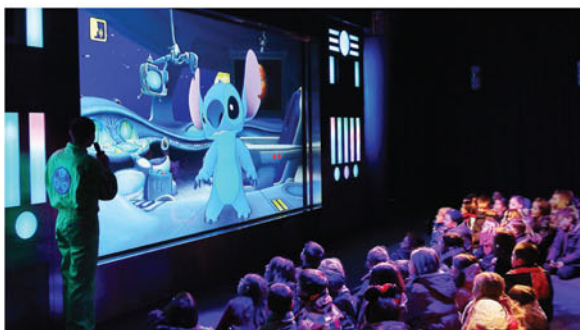

## COOL KIDS

Kids love Walt Disney Studios® Park because it's where they can jump into the worlds of Disney Junior, Pixar, MARVEL and more. *Disney Junior Dream Factory* in *Studio D* is one of the highlights because we absolutely love seeing little ones' faces when they join Fancy Nancy Clancy, Vampirina and Timon and use their imaginations to bring the factory to life.

### DREAM TEAM TIP FOR MAGICAL FAMILY SHOWTIMES

If you're here with a young family, make sure you check out shows like *Frozen: A Musical Invitation* and *Stitch Live!* They're perfect for little ones.

WHAT  
GOES UP  
MUST COME...

DOWNWN!

Big thrill seekers and dreamers who also love to scream, check into *The Hollywood Tower Hotel* and take its cursed elevator, *The Twilight Zone Tower of Terror™*, at your peril. We've survived all three of its hair-raising horrors and we can say for sure that this is an eerie experience you can't wait to get off – then back on!

# PLANNING

## THE BEST TRIP EVER

Booking the perfect Disneyland® Paris adventure is easy. Yet it's always good to have some advice. So we've gathered the most important things you need to know before you go. They're the top tips to help you plan the best trip ever.

### **A perfect hotel package**

All packages include hotel room, tickets for both Disney® Parks and free hotel parking. We recommend you add a Meal Plan<sup>(1)</sup> to have the full Disney Experience!

### **Speed up check-in with the Disneyland® Paris app**

With the app, you can check in to your Disney Hotel before you arrive. Then, when you get to your hotel reception, quickly pick up your MagicPass and head straight to the Disney Parks.

### **Everything is easier with a MagicPass<sup>(1)</sup>**

It contains your Disney Park tickets, the options you've booked, your room key and hotel charge card. It also gives you access to your hotel swimming pool and fitness room (if available) and the Disney Parks' Guest Parking.

### **Make the most of Extra Magic Time<sup>(2)</sup>**

If you stay in a Disney Hotel, you can enter the Disney Parks before they officially open, see Disney Characters and jump on some attractions before everyone else.

### **Make your photos more magical with Disney PhotoPass™+<sup>(3)</sup> – Powered by Kodak Moments**

Professional photographers will capture your magical moments for you – from Disney Character Encounters to attraction snaps and smiles in front of iconic Disneyland® Paris landmarks. You can then view, download and share your photos at [DisneyPhotoPass.eu](https://DisneyPhotoPass.eu).

### **Turn your mobile into a magic wand**

Download the Disneyland Paris app and you'll have a range of handy services at your fingertips, including *Disney Premier Access*<sup>(4)</sup>, which lets you skip the regular queues on some of the most popular attractions (extra charge applies), restaurant reservations, hotel check-in and more!

### **Important info for Guests with special needs**

When booking, please advise of any special assistance you may require when here. For peace of mind, please check the maps, means of access to attractions and other available assistance in the 'Before you arrive/Accessibility' section of [DisneylandParis.com](https://DisneylandParis.com).

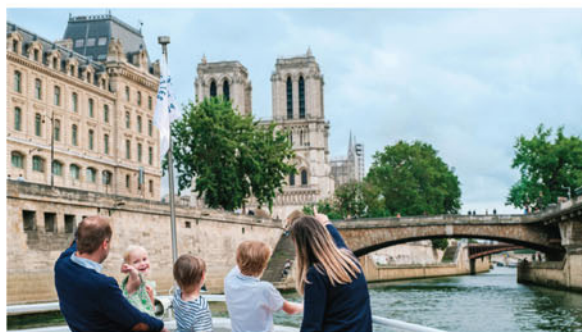

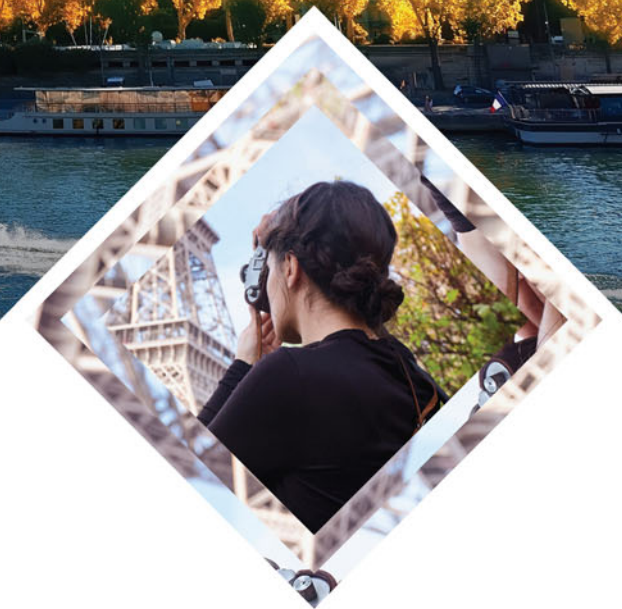

(1) Available only for Disney Hotel Guests. (2) Available only for Disney Hotel and Les Villages Nature® Paris Guests. Depending on the date of your visit, the duration and the applicable Disney Park may vary. Please contact us or your reservation agent for more information. (3) Extra charge applies. Disney PhotoPass™ service is subject to change, postponement or cancellation without prior notice, particularly in the event of bad weather or safety issues. (4) Purchasing a *Disney Premier Access* gives you fast access to the attraction you choose but does not guarantee immediate access. You can see the attractions that are available during your visit via the app once you are in the Disney Parks.

# FUN BEYOND THE DISNEY® PARKS

What? You want to venture away from the Disney® Parks? Hey, that's okay, there's fun all around the Resort – and all of it within a short car, coach or train journey.

Our local recommendations include seeing the historic sights of Paris, enjoying a round of golf at Golf Paris Val d'Europe, shopping for famous designer brands in La Vallée Village and discovering an underwater world of wonder at Aquarium SEA LIFE Paris Val d'Europe.

# LET'S PLAY

## Golf Paris Val d'Europe

Pitch up at this world-class 27-hole course that's great for all levels. Sometimes we just like watching all the action over a spot of lunch in the cosy *Le Convivial*.

## Excursions from the hotels to Paris

See the City of Light in all its glory on one of the excursions from your hotel. From the Eiffel Tower to the Palace of Versailles, there's so much to discover!

## Aquarium SEA LIFE Paris Val d'Europe

Dive deep into the home of more than 2,300 marine animals through nine immersive thematic areas. Sharks, turtles, seahorses, clownfish – you'll find them all here.

## La Vallée Village

Pick up famous designer brands for less. With so much to choose from in one place, this is a shopping experience unlike any other in France. Simply ask your hotel concierge for a shuttle.

## DREAM TEAM TIP FOR PARIS LOVERS

Disneyland® Paris is oh so close to... Paris! So this is a golden opportunity for you to discover or rediscover the City of Light – its Eiffel Tower, its museums, its river cruises... and so much more. Different excursions depart from different hotels, so make sure you ask your hotel concierge for more information.

# LITTLE DREAM- ERS

You'll love seeing your little ones' faces light up when they see their beloved Disney stories come to life on gentle attractions and during interactive shows. Just wait until you watch them smiling when encountering Disney Characters for the first time. Now that's real magic!

To help you make every moment with your littlest treasures as magical as can be, we asked the Dream Team for their top tips. They know everything worth knowing about the magic!

## THE DREAM TEAM'S TOP TIPS

Here, parents from the Dream Team, share what they are most looking forward to doing with their kids at Disneyland® Paris this year.

### Seeing the spectacular shows and parades

*"My favourite moment is when the magic enchants us during the shows and parades. And the most beautiful moment of all – that's when I see my daughter's face light up with happiness."* Olivier

### Riding our favourite attractions

*"Buzz Lightyear Laser Blast is a must for young children. Mine wouldn't miss it for the world. Top tip – don't miss Zurg, he could get you a lot of points."* Caroline

### Meeting Disney Characters

*"My daughter once hugged Minnie and kissed her nose. And when she met Tigger, aww, that was so adorable."* Delphine

### Teaming up with Super Heroes

*"Shows, attractions, Super Hero Encounters, restaurants and W.E.B. tech. Marvel Avengers Campus has it all. It's super fun to help Spider-Man catch the Spider-Bots. Especially with my little sidekicks by my side."* Charlotte

## THE SECRET TO A MAGICAL TIME

We recommend you make the most of the excellent kids' services available across the Resort. Here are the ones all parents should take advantage of.

### Baby Care Centers

*"These are ideal areas for parents. Here, you'll find everything you need for your baby, from changing facilities to a peaceful place to feed."* Inès

### Stroller rental in the Disney Parks

*"I usually get one for that post-lunch energy slump my kids always seem to have!"* Claire

### Kids' menus in all restaurants for ages 3-11

*"Eating is always a delight for us in the Disney restaurants. And as they all have high quality, healthy options, I feel relaxed that mine are getting a good meal. For babies, you'll find bottle warmers, microwaves and highchairs, which is super handy. Oh, and we always book a table in advance."* Claire

### Rider Switch

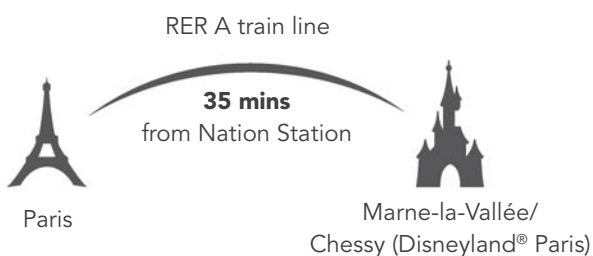

*"This free service allows you and another adult from your group to take turns queueing – so one can wait with the kids, then hop on the attraction without having to queue twice. Just ask at the attraction entrance."* Claire

## DREAM TEAM TIP FOR STAYS WITH BABIES

If you're bringing a baby to Disneyland Paris, then make every minute magical with a stay in a Disney Hotel. How? Well, it's all a little easier with the Disney Hotel services, such as baby cots, baths, potties, bottle warmers, sterilisers and child's stools.
